ISSUE #53

MEXICANS TO BE FLOODED WITH

MEXICAN VOTE ALREADY

TAKING OVER SOME TEXAS

CITIES.

The State of Texas is experiencing a deadly invasion which will soon menace White voting majorities all over America. Texas has a very heavy Mexican minority population. There are some 2,000,000 Mexicans living in Texas. (This does not count the large Negro population which vote s with the Mexicans.) 800,00 of them live in the San Antonio to the Rio Grande area. These people are now the subject of vast voter registration drives. They are being driven to registration places in trucks, buses and many have their poll taxes paid for them. A shocking realization of what can and will happen is in Crystal City, Texas. The Mexicans who hold a majority in Crystal City, Texas. The Mexicans made a clean sweep of the entire city which had founded the city and had always governed it dis- covered they had been voted out of office. The Mexicans made a council and mayors office. (Let us keep in mind that Mexicans are NOT White people, but are a mixed Negroid race most of them hate Whites, who they refer to as the "Angle- Saxons.")

KENNEDY IS ALLOWING THOUSANDS OF THESE MON- GREIZED MEXICANS INTO THE U.S.A.

Mexico is a so-called 'Non-Quota' country, which means the government can allow any number to come into America and become citizens. Some 200,000 Mexicans have applied at our West, Asiatic immigration is Embassy in Mexico to move being stepped up. Kennedy wants to help ease the over population ORDERED THAT AT LEAST 5,000 VISAS BE ISSUED EACH MONTH TO THESE MEXICANS AND THAT THEY BE PRO- CESSSED AS QUICKLY AS POSSIBLE. These hundreds thousands of Mexicans, non-White aliens will quickly be loyed, dregs of society and granted citizenship and herded criminal element into the U.S.A. to the polls to vote to keep the Kennedys and their henchmen PEACEFUL AND UNENDING office. The states which are feeling the brunt of this invas- INVADERS. KENNEDY IS WILLING TO DESTROY THE WHICH border with Mexico. WHITE RACE OF THIS NATION BEING THE HARDEST HIT. SINCE NON-WHITES. This spiteful and only contempt for the majority of the White House. They have only contempt for the majority of the White people. We call US ON ALL FRONTS.

The Truth About Those Negro Heroes

Page 2

Negro Cowardice In Combat Revealed

Zealots of "racial equality" have long carried on a propaganda campaign in an effort to glorify the Negro soldier's valor as a fighting man. The Armed Forces are discriminating against some of their best soldiers. An outstanding example of this propaganda in action was the making of the motion picture, "Home of the Brave", which stressed the imaginary accomplishments of the Negro soldier, and gave special emphasis to the alleged discrimination which he suffers from bigoted whites.

This type of propaganda has been disseminated on such a wide scale that many people have actually been led to believe that Negro soldiers are magnificent fighters who have contributed courageously and selflessly to the defense of America. They have been led to believe that Negroes have died in great numbers in combat divisions—the 92nd and 93rd divisions—were formed. Both divisions were under German fire in 1918, and altogether about 40,000 Negro troops were exposed to combat conditions. Did they distinguish themselves? Let us take the words of a high-ranking white officer of the 92nd division, Colonel Allen J. Green, who had described the combat record of the division as follows:

"The record of the division is given full publicity, but the bare facts are about as follows: We came to France in June, we were given seven weeks in the training areas instead of the four weeks in training areas as usually allotted, then went to a quiet sector of the front. From there we went to Aronne, and in the offensive starting there on Sept. 26, had one regiment in the line, attached to the 88th French Corps. They failed there in all their missions, laid down and sneaked to the rear, until they were withdrawn. Thirty of the (Negro) officers of this regiment were either killed or wounded in combat. A few statistics taken from the official records of World War I and World War II will disprove without question the fallacious argument that Negroes are courageous fighters, or that they have died in great numbers in defense of "democracy". The record of both wars indicates very strongly that Negro troops, if used at all, should be utilized in non-combat duties, and that in no case should they be integrated with white troops.

THE RECORD

As a point of fact the role of Negro soldiers in combat has not been, in general, unimpressive. They have neither distinguished themselves for bravery nor devotion to duty. On the contrary, they have proved unreliable in danger and fearful in combat. A few statistics taken from the official records of World War I and World War II will disprove without question the fallacious argument that Negroes are courageous fighters, or that they have died in great numbers in defense of "democracy". The record of both wars indicates very strongly that Negro troops, if used at all, should be utilized in non-combat duties, and that in no case should they be integrated with white troops.

WORLD WAR I

Here are the facts: The records of World War I reveal that approximately 1,350,000 Negroes served in the armed forces, about half of whom served overseas. From these, two Negro infantry combat divisions—the 92nd and 93rd divisions—were formed.

Both divisions were under German fire in 1918, and altogether about 40,000 Negro troops were exposed to combat conditions. Did they distinguish themselves? Let us take the words of a high-ranking white officer of the 92nd division, Colonel Allen J. Green, who had described the combat

The 92nd Division in France

In 1918 the all-Negro 92nd Division (above) had 182 men killed in action, in World War I, the total number of Negroes killed in action was under 900; in World War II less than 500 died in action. In other words, Negroes, who

These were the only Negro combat divisions which saw action, and although there were undoubtedly other Negro casualties unaccounted for here, the total number of Negroes killed in action in World War II probably did not exceed 500.

'Integration' Is Destroying U.S. Army

Left: A Negro sergeant "on duty" with the U.S. Army in Europe. Above right: a bit

The photographs above bear witness to what is happening "in our ranks" to Negroes in the Armed Forces. Under the "integrated" program, which is individually patterned after the "separate but equal" principle, since the "very essence of the plan is to enforce absolute equality" in all branches of the military service, Negroes are being compelled to take orders from white sergeants and white families must share inter-racial swimming pools, housing facilities

(see American Nationalist, Dec. 10, 1952). The record shows that the COMBINED Negro combat deaths in BOTH World Wars was less than 1500, including a number who died in a behind-the-lines explosion. Furthermore, the Negro Forces is not conductive to higher military efficiency.

As to the mental capacity of Negro troops, the records of the Army are replete with evidence which shows them to be hopelessly inadequate to meet the technological demands of atomic-age warfare. While it is true that

a few Negroes (notably mulattoes) possess average or even exceptional intelligence, innumerable tests have shown that the great majority fall within the dull minded category. In 1919, for example, the thousands of these fearful, excitable and unstable Negro troops into the ranks of our Armed Forces first began to be accepted by the Negroes into the American army places the Negro below the white in tests of the language and non-language variety. Several investigations have shown the negro to be more overtly emotional and less inhibited in his reactions than the white.

Whereas 13.4% of the white draftees possessed the mental potential required of officers, only 6%

ANNA ROSENBERG'S PENTAGON ASSIGNMENT

Although her appointment was the subject of heated controversy, the real purpose behind Anna Rosenberg's choice as head of the Defense Department's manpower section several years ago was never clearly understood, even by her opponents. Anna's real mission was to "integrate" the Armed Forces: a highly explosive project to completion without a word of public controversy being heard. She accomplished this with the connivance of the major white service, while source of military manpower. The record of Negro troops in both World Wars indicates conclusively that they are worse than useless under combat conditions

—to force white draftees to serve under Negro sergeants—is tyranny! Congress should outlaw the integration program now!

General C. C. Ballou

At the conclusion of World War I, General C. C. Ballou, wartime commander of the 92nd Negro infantry division, was ordered by the Army to submit a written report on the "... capacities, abilities, and future possibilities of the Negro soldier." He wrote: "...I forgot that the average Negro is a rank coward in the dark, and I subsequently realized to the full how worthless this trait renders him in the service..."

But in spite of its adverse experience with Negro troops in both World Wars, the army has not only been forced to accept them into service, but is now compelled to integrate Negro troops into white units. In fact, the enemies of

America would like nothing better than to see our combat units saddled with great numbers of Negro troops knowing that in the crucial moments of combat the presence of large numbers of these fearful hysterical blacks in front-line combat units could not fail to decrease the fighting efficiency of our armed forces. Perhaps that is the main reason they are being put there...

Under Negro sergeants, they insist that Negroes possess the same intellectual capacity as

white men.

CONCLUSION: While the integration of vast numbers of Negroes into the Armed Forces cannot fail to reduce the moral tone and fighting efficiency of our military establishment, that is not the only consideration involved. It should also be remembered that our military establishment still remains predominantly white, and that the white majority is also entitled to certain rights. And while we can justify the drafting of our youth into military service as a necessary defense measure, there can be no justification whatever for compelling them to serve under Negro sergeants. Neither is there justification for forcing the families of married servicemen to share recreational, housing and educational facilities with Negroes. Congress must decide, and soon, as to whether the integration program. To keep them both to force white draftees to serve under Negro sergeants—is tyranny! Congress should outlaw the integration program now!

The Negro and Ape have all the above features in common. The White man has none of these Ape-like characteristics. The White Man with his 45 ounce brain and thin skull (which closes late, allowing brain to develop) IS THE SUPERIOR RACE. ACTUALLY IS A HIGHER FORM OF GORILLA. GOD DID NOT WISH FOR THE WHITE RACE TO MIX WITH THESE ANIMALS. TELL YOUR FRIENDS AND CHILDREN THESE SCIENTIFIC TRUTHS SO THAT COMMUNIST TEACHERS AND PREACHERS WILL NOT BE ABLE TO BRAIN WASH THEM WITH "THE BIG LIE" THAT ALL MEN ARE EQUAL.

CHICAGO, July 29—(P—Social) rears placed in jeopardy by challenging it.

Garrett is a staff member of the University of Virginia School of Education and former chairman of the department of psychology at Columbia University. He said the equitarian dogma has been spread and accepted by "sincere humanitarians, social reformers, crusaders, sentimentalists, politicians, and many ministers of religion." He said racial differences in mental ability are "inmate and genetic" and not the result of different environments.

He said the dogma "at best represents a sincere if misguided effort to help the Negro by ignoring or even suppressing evidence of his mental and social immaturity."

Garrett's indictment appears in the current issue of Perspectives in Biology and Medicine, a publication of the University of Chicago Press.

It was written on invitation of Dr. Dwight Ingle, professor and head of the physiology department at the university and editor of the magazine. Ingle said he does not endorse Garrett's views.

GARRETT SAID social scientists are quick to silence efforts by scientists to test the equalitarian dogma, and young scientists are about genetic differences among branded "racists" and their co-racists," he said.

Sickle Cell Campaign in Final Plea

A final plea was issued today for contributions to the November fund-raising drive of the Sickle Cell Disease Research Foundation.

Jeffrey Smith, Sickle Cell Poster Boy, and his mother, Mrs. Glenda Smith, a registered nurse, expressed the foundation's urgent need for support.

Sickle cell disease, found almost exclusively in Negroes, affects the blood supply and leads to numerous disease symptoms. Contributions should be sent to the foundation at 2268 S Western Ave., Los Angeles 18.

Gov. John Patterson, Dr. George said he was paid \$1000. The 56-page booklet was released at a news conference in the office of Gov.-nominate George C. Wallace.

Dr. George said his study showed "individuals are not born equal in the biological sense nor do they have equal innate endowments." The report listed these conclusions:

- "About six times as many whites as Negroes fall into the gifted-child category."
- "Large and significant differences in favor of whites do not disappear when social and economic factors are equated."

The report was made public to day by Dr. W. C. George, former head of the Anatomy Department at North Carolina.

MONTGOMERY, Ala., Oct. 4—(UPI)—A state-authorized racial study released yesterday said the Negro race is 200,000 years behind the white race in the evolution process and intermarriage would deteriorate the white race.

"There is universal and inevitable deterioration in those races which intermarry with Negroes," said the report, prepared by a professor emeritus.

HERE'S WHAT TO TELL GOLDWATER SUPPORTERS

Communist Mixed Couple Chain Themselves Together As Symbol Of Mongrelization

WHAT TO TELL GOLDWATER SUPPORTERS

No loyal supporter of the third party movement and NSRP can back Goldwater for the many reasons we published in the special Goldwater issue (#52.) But all of us know good patriots who have been swept up by the Goldwater for President million dollar publicity campaign.

The main thing to point out to these people is that current thinking among political experts, including Goldwaters main backer, David Lawrence, Jewish editor of "U.S. NEWS & WORLD REPORT" is that neither Goldwater nor Rockefeller will receive the nomination. Lawrence states that either one might cause one wing or the other to leave the Republican party. He further states that GOP bosses and professionals will pick a non-controversial moderate, such as Scranton, Morton or Romney. This may easily happen and should be realistically pointed to your Goldwater friends.

It will take almost super-human efforts in some states to get the National States Rights Party on the ballots due to harsh laws requiring many thousands of names on petitions. We will need the help of every single right wing conservative in America—including patriots who are at this moment being misled by the Goldwater boom.

The Republican convention will come late next summer. WHEN IT IS OVER, AND GOLDWATER FAILS TO GET THE NOMI-

"Lesser of two evils." We have had enough of that policy.

So, no matter how your friends stand, if they are right wing conservatives, they have a stake in our fight to place the NSRP on the ballot in most states, or it will be almost to late for Goldwater supporters to rush into our camp and help place us on the ballot. Our Party will be the first political party in America to nominate candidates for president and vice-president next year. We will most likely hold our National Nominating Convention in February, so that our members can then fan out and go to work in their respective states with plenty of time to get the job accomplished.

In the meantime many good right wing people will be sitting at home whistling in the dark, hoping that Goldwater will be on the ballot. When he fails to receive the nomination, they will either have to vote for a Scranton or Kennedy—UNLESS WE HAPPEN TO BE ON THE BALLOT IN THEIR STATE. Therefore, go out and tell your friends that they need insurance rather than will have a real genuine conservative to vote for in 1964. Even if they still like Goldwater, they should be willing to now work night and day to help us get our National States Rights Party on the ballot in the event their man does not make it as is predicted by none other than David Lawrence. So lets make as solemnly sure that the American public does not have to end up splitting hairs again in 1964 between a Scranton or Kennedy to decide which of them is the

Goldwater stated that he did not think the Republicans should appeal to the Segregation ballot in the South. (So why should we bother to vote for this Party which has no interest in our problems?) Last but not least Goldwater stated that he would back Gov. Nelson Rockefeller of N. Y. if he should win the nomination for President.

Together: After addressing a Chicago audience and answering questions of a panel of newsmen on conditions in the South today, Atlanta publisher Ralph McGill chats with U.S. Judge James Parsons, chairman of the Chicago Conference on Religion and Race, and moderator of the program, at a reception.

The first of these, "Crisis or Transition," will be broadcast Tuesday at 9:30 p.m. and will deal with the possibility of desegregation of Birmingham schools.

The half-hour program will feature a review of the legal actions which have taken place leading to the present requirement of the Birmingham school board to submit a plan for desegregation by Aug. 19. Those appearing on the program include Gov. George C. Wallace, Dr. Edward R. Fields, information officer of the National States Rights Party, Dr. Lucius Pitts, president of Miles College, R. E. Farr, of the Birmingham Labor Council, Chief Jamie Moore of the Birmingham Police Department, Reid Barnes, attorney for the Birmingham school board and interviews with average citizens of Birmingham on their views of what may happen if the schools are desegregated.

Sometimes a picture can speak louder than a thousand words. We believe that the one above can. We call it the "Face of the NAACP." This picture shows Thurgood Marshall, mulatto special counsel for the NAACP, receiving a special NAACP Life Membership plaque from Kivie Kaplan, co-chairman of the NAACP Life Membership Committee, while Arthur B. Spingarn, NAACP president looks on with approval. Take a good look at this picture. Thurgood Marshall is no Negro—he is a mulatto! Spingarn and Kaplan are not Negroes, either.

Charging cruelty in her successful bid for divorce from her first husband, Mrs. Tibbs once said she tried to keep from falling in love with Tibbs, "but I just couldn't fight it any longer." She described his engagement ring—a black pearl along side a white pearl and surrounded by diamonds—as "symbolic of our union."

Corps members marrying interracially in countries where they were assigned. Shriner, President Kennedy's brother-in-law, stated further, to queries from panelist Dr. Margarette Cartwright: "We try to advise all our people of the possible difficulties where there are children, etc., but we certainly place no barriers in the way. Many members of the Peace Corps have married citizens of the countries where they were stationed—the Philippines, in Colombia, and elsewhere . . ."

NATIONAL STATES RIGHTS PARTY -

Dr. Fields Appeals 6 Month Jail Senetence

On August 2, Dr. Edward R. Fields was sentenced to six months in prison and fined \$100 for "parading without a license." Others given the same sentence and also members of the National States Rights Party were James K. Warner, Jerry Dutton and Albert DeShazo. Dr. Fields was arrested while carrying a large sign in front of Britt's Department Store, which read, "This store reserves Negroes." Mr. Deshazor carried a like sign across the street and Jerry Dutton carried a large Confederate flag in front of Woolworth's. James K. Warner was arrested for protesting to the police that they could not legally arrest the three.

Mr. Warner was leading another group of NSRP members who came down earlier to distribute literature denouncing the mixed stores.

Six downtown stores integrated their lunch counters on Tuesday, July 30. Friends working for local TV stations and newspapers had informed Dr. Fields that they had been instructed not to print or to broadcast the fact that the stores had mixed lunch counters or name any of the stores.

While newspapers in every major city in America carried the news that Birmingham's downtown stores had mixed "quietly" and peacefully, "THE PEOPLE OF BIRMINGHAM WERE IN A NEWS BLACKOUT AND DIDN'T EVEN KNOW THE MIXING WAS TAKING PLACE."

Dr. Fields then decided that a dramatic demonstration was needed to force the news out. Large crowds gathered when the men were arrested and 10,000 handbills were distributed. The press and TV then carried the story about both the arrests and lunch counter mixing.

Dr. Fields had two complaints in the handling of the case. One was the unnecessary handcuffing of Jerry Dutton. (no Negro was ever handcuffed during Martin Luther King's demonstrations). Also the appeal bonds for the four members were set at \$1,000 each. (Negroes' bonds were \$300 each). Dr. Fields feels that they will all be acquitted when their jury trial comes up.

Four whites Sentenced for parading

Four members of the National

States Rights Party were sentenced to 180 days in jail and fined \$100 each in Recorder's Court this afternoon in connection with demonstrating against desegregation of downtown lunch counters.

They were Dr. Edward R. Fields, 1500 Minis St., S. W.; Jerry Dutton, 1885 Bessemer Rd.; Albert DeShazo, 1228 18th St., North, and James Warner, 1885 Bessemer Rd.

Dutton, DeShazo and Dr. Fields were charged with parading without a permit and Warner was charged with disorderly conduct.

In keeping with agreements made last June approximately 24 Negroes were served Tuesday in tearooms and at lunch counters operated by six downtown stores. The Negroes in two and fours were served after the lunchtime rush hour and departed without incident. They appeared at Love-Woolworth and Green's. Witnesses said the Negroes did not mingle with white customers but that some white customers left when they appeared.

THE FOUR WERE ARRESTED Wednesday on 19th Street in front of Britt's and Woolworth stores. Dr. Fields, editor of the Thunderbolt and Birmingham Daily Bulletin, as well as president of the States Rights Party, said the demonstrations were prompted to "bring desegregation of the lunch counters to attention of the public."

Jerry Dutton, (bareheaded), of Birmingham, a uniformed member of the National States Rights Party, a rightwing group, is arrested for parading without a permit. Officer holds picket sign held by Dutton.

The National States Rights Party has held more outdoor mass rallies during the past three months than we have ever held before during our seven years of existence. We have tried to hold from three to four mass rallies each week. Rev. Conrad Lynch and Jerry Dutton have been in charge of setting up these rallies. The uniformed security guard has done a fine job in setting up torches, signs, speaking equipment and directing traffic at these meetings. At the present time he have mainly concentrated on holding meetings in Alabama. We are now ready to branch out into other states where local Units eagerly await the chance to bring our speakers into their community.

Following is a partial list of meetings:

Cahaba,	800 people
Gardendale,	500 people
Montgomery,	600 people
Gadsden,	2,000 people
Bessemer,	500 people
Fultondale,	700 people
Sylacauga,	1,000 people
Talladega,	400 people

These are just some of the communities which have turned out good crowds for these NSRP rallies. The publication of our newspaper, newsletters, books, holding of private membership meetings, etc., is a very important part of molding and strengthening of the Party. But, the time has come to break out of this tight circle of party faithful and reach the general public. During the next 18 months (encompassing the 1964 presidential election campaign) we will wage the greatest battle in our history to bring the beliefs of the NSRP to the attention of the average man in the street. We must now break out of our shell and contact new Americans. Millions of Americans are ready to accept our message. The recent mass rallies held in Alabama prove that our time has arrived. Each member must be willing to make a super-human effort to bring the Party to the attention of the public. It is true that your national leadership has recently been concentrating efforts on the local problems of mixing in the schools and lunch counters. We have learned much from these battles and are now ready to expand on a national scale. All local organizer's will soon receive instructions and a complete program for our great new jump forward for the NSRP all over America. We have laid a solid base for our operations and we are now ready to expand this dynamic program all over America. Now is the time to get out and build the NSRP in every city and cross road community in the land.

"THE INTERNATIONAL JEW," By HENRY

CHAPTER 15

JEWISH 'KAHAL' & 'SOVIET'

IS THE JEWISH "KAHAL" THE MODERN "SOVIET"?

The Soviet is not a Russian but a Jewish institution. Nor is it the invention of Russian Jews of the present time, a new political device which has been set up as a vehicle of the ideas of Lenin and Trotsky; it is of ancient Jewish origin, a device which the Jews themselves invented to maintain their distinctive racial and national life after the conquest of Palestine by the Romans.

Modern Bolshevism, which is now known to be merely the outer cloak of a long-planned COUP to establish the domination of a race, immediately set up the Soviet form of government because the Jews of all countries who contributed to Russian Bolshevism had long been schooled in the nature and structure of the Soviet.

The Soviet appears in the "Protocols of the Learned Elders of Zion" under the ancient name of KAHAL. In the Seventeenth Protocol this passage occurs:

"Even now our brothers are under obligation to denounce apostates of their own family or any person known to be opposed to the Kahal. When our kingdom comes, it will be necessary for all subjects to serve the state in the same manner."

Anyone who is acquainted with contemporary Jewish life knows what this denunciation of apostates means. The bitterness of the persecution, which falls upon a convert to Christianity, or upon the Jewish son or daughter of an orthodox family who chooses to marry a Gentile, is without parallel among men. Very recently in a western state a fine Jewish girl chose to marry a Gentile, who was a newspaperman. From the time of her announcement of intention, the girl was treated as an apostate. Had she died a most wretched death, had she descended to a status of most ignominious shame, the feelings which her fate would have aroused could not have been more terrible.

A darkly solemn funeral service was held for her, and on her bridal day she was declared to be dead to her people.

The case is very far from being unusual. Perhaps one of the most moving descriptions of it is to be found in the life of Spinoza, the great philosopher whom modern Jews are fond of holding up for exhibition as a great ornament of their people. Spinoza's studies led him to question many of the dogmas the rabbis taught, those "commandments of men" of which the New Testament speaks, and as Spinoza was already a person of influence the very common Jewish tactic of bribery was tried upon him.

The case is very far from being unusual. Perhaps one of the most moving descriptions of it is to be found in the life of Spinoza, the great philosopher whom modern Jews are fond of holding up for exhibition as a great ornament of their people. Spinoza's studies led him to question many of the dogmas the rabbis taught, those "commandments of men" of which the New Testament speaks, and as Spinoza was already a person of influence the very common Jewish tactic of bribery was tried upon him.

There would be some hesitation in using the words just set down—"the very common Jewish tactic of bribery"—if they were not known to be true. There is no desire to cast aspersions which grow out of malice. But Jewish history as written by Jews provides mountains of proof that bribery was, while present knowledge amply testifies that it still is, the favorite and most dependable weapon of the Jews. A Jewish writer, Jacob Israel De Haan, a Dutch lawyer resident of Jerusalem, has recently stated that one hope of a settlement of the Arab agitation in Palestine is the ease with which the Arab press can be bribed. His words are: "There is a strong agitation here among the Arabs against what they call the Zionist peril. But the Arabs, especially the Arabian papers, are open to bribe. This weakness will cause them, in the long run, to lose out against us."

So young Spinoza was offered an annual stipend of 1,000 florins if he would be silent upon his convictions and from time to time show himself at the synagogue. This he refused with high-minded scorn. He made ready to earn his bread by polishing lenses for optical instruments. Upon this, he was excommunicated, a proceeding which is thus described:

"The day of excommunication at length arrived and a vast concourse assembled to witness the awful ceremony and were made to melt drop by drop into a huge tub filled with black wax candles, and by opening the tabernacle wherein were deposited the books of the Law of Moses. Thus were the imaginations of the faithful prepared for all the horror of the scene. The chief rabbi, the ancient friend and master, now the fiercest enemy, of the condemned, was to order the execution. He stood there pained, but implacable; the people fixed their eager eyes upon him. High above, the chanter rose and chanted forth in loud lugubrious tones the words of execration; while from the opposite side another mingled with these curses the thrilling sounds of the trumpet. And now the black candles were reversed, and were made to melt drop by drop into a huge tub filled with blood." (Lewes: Biographical History of Philosophy.) Then came the final anathema. "With the judgment of the angels and of the saints, we excommunicate, cut off, curse and anathematize Baruch de Espinosa, with the consent of the elders and all this holy congregation, in the presence of the holy books, by the 613 precepts which are written therein, with the anathema wherewith Joshua cursed Jerico, with the curse which Elisha laid upon the children, led against this man, and shall lay upon him all the curses written in the Book of Law. The Lord shall destroy his name under the sun, and cut him off for his undoing from all the tribes of Israel, with all the curses of the firmament which are written in the Law. * * * And we warn you that none may speak with him by word of mouth nor by writing, nor show any favor unto him, nor be under one roof with him, nor come within four cubits of him, nor read any paper composed by him." (Pollock: Life of Spinoza.)

"As the blasting words were uttered, the lights were suddenly immersed in the blood, a cry of religious horror and execration burst from all, and in that solemn darkness, and to those solemn curses, they shouted Amen, Amen!" (Professor J. K. Hosmer: The Jews, p. 24.)

That is a commentary on the decree of denunciation. It also throws a very strong light on the pressure which is brought against many Jews who would cry out against the anti-social ideas of their people, but who dare not because of the penalties it would bring.

This denunciation, as Protocol Seventeen orders, is to be made against anyone who is "known to be opposed to the Kahal" or ancient Soviet system of the Jews.

After the destruction of the Jewish state by the Romans, the Jews maintained a center in the Patriarch; and after the dispersion of the Jews out of Palestine this center or nationality was preserved in the Prince of the Exile, or Exilarch, an office which is believed to persist to the present time, and which some believe to be held now by an American Jew. In spite of all the assertions to the contrary, the Jews have never ceased to be "a people"; that is, a consciously united racial group, different from all others, and with purposes and ideals which are strictly of the Jews.

In establishing their own court for the settlement of their own questions according to their own laws. And that is the most responsible Jewish thinkers not only declare but insist upon. And this is wholly in accord with the facts as observed. The Jew not only desires to live apart from other people, but he works as much as possible to live under his own laws. In the city of New York today, the Jews have succeeded in countries where their activities had been a matter of protest. The Polish question is purely a Jewish question, and the last official appearance of it was at the Peace Conference, where the Jews, in accordance with their World Program, the only program that passed successfully and unchanged through the Peace Conference, secured for themselves the "RIGHT" to the Kahal for administrative and cultural purposes in addition to many other privileges

it was so earlier, in the time of the Babylonian captivity. And the last official appearance of it was at the Peace Conference, where the Jews, in accordance with their World

it was so earlier, in the time of the Babylonian captivity. And the last official appearance of it was at the Peace Conference, where the Jews, in accordance with their World

generations. All property was in common, which however did not prevent the leaders becoming rich. These Kahals or Soviets existed in Rome, France, Holland, Germany, Austria, Russia, Denmark, Italy, Rumania, Turkey and England. In the United States the idea has developed around the synagogue and around national and international secret societies of Jews, of which more will be said in succeeding articles.

The Kahal is the traditional Jewish political institution during the dispersal of the race among the nations. Its international aspect is to be seen in the higher councils. These councils enlarged as the Jews spread over the world. The Jewish Encyclopedia cites the Council of Three Lands, the Council of Four Lands, and the Council of Five Lands, showing an international relationship in earlier years. But like all such records, public view of them is not easily accessible so far as they relate to modern times. The recent Zionist Congress in London, where doubtless much business was done that pertained to the Jewish people throughout the world, though not in public halls by any means, may be called the Council of Thirty-Seven Lands, for the delegates to that congress came from all parts of the world, from points remote as Lapland and South Africa, Persia and New Zealand. The purpose of these World Councils was the unification of the Jews, and the records of their assemblies run back through the centuries.

It is therefore no new thing that has arisen in Russia. It is the imposition by the Jewish revolutionists upon Gentile Russia of a form of control in which Judaism has been schooled from the earliest times of its contact with the world. Soviet Russia could not have been possible had not 90 per cent or the commissioners been Jewish. Soviet Hungary would not have been possible had not Bela Kun, the chief Red, been a Jew, and had not 18 or his 24 commissioners been Jews, the Jews are the only group schooled in the erection and administration of the Kahal.

An Associated Press dispatch under date of August 12 throws a light on the congeniality of the Soviet system and the Jewish mind. Speaking of the Polish towns and villages occupied by Bolshevik forces in their recent drive,

"The local Jewish parish populations already are said

to be constant told through the press of the sufferings of the Reds. However, most of what we read concerning this in the public press is Jewish propaganda, pure and simple, and the reports of men on the spot contradict it all. One relief worker testifies that relief work in Poland

is frequently "hung up because some Jew landlord asks an exorbitant rent for his premises," while another testifies that though railroad fares in the supposedly famine-stricken districts have gone up 1,000 per cent, the best and highest fare trains are "exclusively occupied by Jews." He adds, of his trip through Hungary, "The Hungarians have no money any more, but the Jews have."

"But American Jews abhor Trotsky and Sovietism," is the plea sometimes made.

Do they?

On page 9 of the American JEWISH WORLD, of July 30, a letter signed "Mrs. Samuel Rush" appears. It is headed: "Are We Really Ashamed of Trotsky?" Read a few excerpts from it:

"I have read of late several laments from editors of Jewish publications that the Jew is now labeled as a radical. It is true that many Jews are radicals. It is also true that some of the radical leaders are Jews.

"But before weeping over the downfall of the race, let's think a bit.

"Trotsky himself has never been represented as anything but a cultured man, a student of world economics, a powerful and efficient leader and thinker who will surely go down in history as one of the great men our race has given to the world.

"* * * Very few of us doubt any longer that behind the absurdities written about Russia is the great truth that Russia is in that unsettled state which always attends reconstruction. There is a plan behind this seeming disorder, and out of the upheaval will come order. It will not be utopia, but as good a government as the undoubtedly high-minded practical idealists who are building for Russia can build with the necessarily imperfect materials -- human beings -- with which they must work.

"And one of the leaders is Leon Trotsky!"

The lady is evidently not ashamed of Trotsky, or Mr. Braunstein, as his real name is.

Or take Judge Harry Fisher, of Chicago. While drawing a salary for work in the court, Judge Fisher went abroad on Jewish relief work. His plans were changed somewhat after his departure and he landed in Russia. He asserts in several interviews that he was permitted to arrive in Russia on condition that he leave political matters alone. There has been no such restriction placed upon him since his return to the United States, for he appears as an open advocate of full trade relations with the Soviet Government of Russia.

The Chicago Tribune thus quotes him:

"We must leave Russia alone," he said in summarizing his views. "We should resume trade with the Soviet. The Bolshevik Government is permanent. * * * while there are only 700,000 members of the Communist party, the peasants, who represent almost 100,000,000 people, are solidly back of the Lenin regime."

Among the Soviet devices which the 100,000,000 peasants of Russia are said to be "solidly back of," is the following (it is particularly interesting in view of the fact that Judge Fisher is judge of the Moral Court of Chicago):

"Some time ago it was published that the women of Russia had become national property," he said. "That is untrue, but the ease with which marriage and divorce may be effected makes for rapid changes. Everyone wanting to marry goes to what we would call the city hall and registers.

"Inducements to marry are great. When people are hard pressed for clothes and food they sometimes make a pact to wed for a day."

FORD- THE FOUNDER OF FORD MOTOR CO.

in the Protocols--

"We will break down the influence of family life among the Gentiles."

Whether the Soviet-Kahals of Russia will succeed in completely undermining Russian family life is extremely doubtful. The weakness of the Soviet rule is the same as that of the Protocols -- a moral weakness which must eat like a cancer until it destroys the institutions which it infests.

Russia today, viewed in the light of the Protocols, does not represent the Judaic state, but it represents the Gentile state seized by Jewish forces. There are three degrees of action set forth in the Protocols. There is first the secret process of breaking up the integrity of society by the admixture of alluring but disruptive ideas. This is a work in which Gentile agitators are used. When the ideas have worked sufficiently to break up society and explode in a crisis, then as in Germany, the forces that have worked in secret come swiftly to the front to take the reins and guide the riot. In Germany this immediately occurred upon the collapse which followed the armistice, but the Germans were wise enough to know the meaning of the influx of Jews into all the official positions of the former empire, and it was not long before they were politically ousted. In Russia, however, the Jews sprang immediately into official positions and have succeeded in remaining there. It began with Kerensky's compelling the Czar to lay aside his crown; it continues with Trotsky and his armies at the throat of Europe.

But this seizure of a country, as was attempted in Germany, and as was not only attempted but succeeded in Russia, is not the end of the Program. It is only the beginning of its open or public phase. The Soviet-Kahal makes for the complete breaking up of society, the entire cutting off of co-operation and communication, the ruling of each little section in the way desired, until the whole country lies helpless in isolated bits. The process includes, of course, the disintegration of industry also, the massing of Gentiles again. This time their names are put side by side in the divorce book. That is all that is necessary to be divorced, and they have had a good feed in the bargain."

Judge Harry Fisher, of Chicago, who has returned from Jewish relief work abroad, evidently is one with the others in not being ashamed of Trotsky. Also Max Pine, for many years secretary of the United Hebrew Trades of New York, has been abroad in Soviet Russia as "a labor delegate." He too had many good things to say of the Soviets, among other things the strange contradiction that the Jews are doing very well in Russia but are not pro-Bolshevnik!

Here are three persons from widely different spheres of life, yet each one of them indicates a natural liking for the Kahal or Soviet, an admiration of its methods, and a distinct good feeling toward its rulers. For Sovietsism is the rankest form of autocracy, and the marriage laws of Soviet Russia are in full harmony with the program stated

into an army, and a general destruction of morality and order. It is the Protocol program in its last stage before the reconstruction begins which shall make the conquered

country a Jewish state.

The world has not seen that last stage yet. It has not come, even in Russia. If the Russian people waken from the daze into which they have been thrust, it will not come. Jewish voices loudly proclaim that Soviet Russia has come to stay.

The only authoritative voice on that subject is the voice of Russia, and Russia has not yet spoken. Today the world is trembling on the very verge of Real Russia's awakening.

Russia, and Russia has not yet spoken. Today the world is trembling on the very verge of Real Russia's awakening, and with it a retribution most terrible upon the Sovietsists. (Editor's Note: Remember that these words above were penned by Mr. Ford long before World War II, and he could not, of course, have been expected to be able to surmise to what extent the terror of repression could not have heretofore made revolution against the Bolsheviks in Russia almost impossible...even as it is today)

The program of the Protocols once came near succeeding in the French Revolution, but its essential immorality overreached itself. It has come a step nearer success in Russia, but there too its defiance of the moral law will be its undoing. The Jewish Question of today is being fought out in Russia and Poland, and the strength of the Jewish forces is largely and mostly supplied from the United States of America. wonder those small East European independencies which are fighting for their lives refer to our country as "The Land of the Jews."

"We will show our power to one," say the Protocols. "In order to demonstrate our enslavement of the Gentile governments of Europe, we shall show our power to one of them by crimes of violence, that is, by a reign of terror."

One by one the Gentile nations of Europe have been compelled to withdraw their troops from Russia. One by one the premiers of Europe have submitted themselves to heavy shackling of their officials hands with regard to the Russian question. And today the world looks on while little Poland, apparently the second country on the list of Soviet victims, is made to feel heavy vengeance for her daring to be independent of Jewish power. Russia has been made to pay for her attempted independence of the Jew. Poland is now being made to pay. It is a flame, the Jews of Eastern Europe hope, and many Jews of America also, which will sweep round the world.

If the ruling Jews of the world wished the Russian people freed, if they wished the flames of Bolshevism to be quenched, if they wished Jewish participation in revolutionary movements to be withdrawn, they would accomplish it in a week. What is going on today is going on by permission of the Jewish world powers.

There is apparently no desire to curtail a movement which largely originated in American Jewry. This is the program of "showing our power to one," and the program will be followed out. The "showing" however, is twofold: it is a showing of POWER, but it is also a showing of the PEOPLE who wield the power, and in the end it might have

been just as well had the power never been coveted, attained, or used.

Anyone who desires to test the exactitude of the Protocols' estimate of human nature may do so by observing his own reaction to the Russian Bolshevik situation. It is undeniable that there exists among all classes of Gentiles in America a kind of admiration for the coup which Lenin and Trotsky have managed on such a massive scale. The audacity of it, the ability to stay afloat thus long in defiance of so many laws, have conspired to draw our unwilling applause.

Consider then this passage from the Tenth Protocol: "The people feel an especial love and respect toward the genius who wields political power, and they say of all his high-handed actions: 'It is base, but clever! It is a trick, but how you played it! So majestic! So impudent!'

"We count on attracting all nations to the constructive work of laying the foundations for the structure planned by us. It is necessary for us first of all to acquire the services of bold and fearless agents, who will overcome all obstacles to our pathway.

"When we accomplish our government COUP D'ETAT, we will say to the people: 'Everything has gone badly, all have suffered. We will eliminate the causes of your sufferings -- nationality, frontiers and diversity of coinage. Of course you are free to pronounce sentence upon us, but that can scarcely be just if you do so before giving a trial to that which we offer you.'

This is very well conceived, and this is the way in which, up to this time, it has worked out. But there will be a strong reaction set in. False promises like chickens come home to roost. The real originator's, the real purpose of the movement hidden behind Bolshevism will become evident. And then the world will crush out again the World Program which at times has seemed so near success.

There will probably be more light upon this World Program as a result of the Russian Kahal-Soviet system from any other attempt to realize it. For five generations the world has lived in a false light supposed to be shied by the French Revolution. It is now known that that revolution was not the Revolution of the French People, but the disorders of a minority who sought to impose upon the French People the very Plan which is now being considered. It was the French People who ultimately put down the so-called French Revolution. And France, as a result of the upheaval of a well-organized minority, has been bound by Jewish control ever since.

The Russian Revolution will go down in history with no such false halo of romance around it. The world now knows it for what it is. The world will soon know whose was the money and whose were the brains that fostered it, and from what part of the world the principal impetus came. The Russian upheaval is racial, not political or economic. It conceals beneath all its false socialism, and its empty mouthings of "human brotherhood" a clear-cut plan of racial imperialism, which is not Russian, and which the common sense and interest of the world will speedily stamp out.

High-Ranking Russian Jew Reiser Dies

MOSCOW, Dec. 26 (UPI) — David Reiser, 58, former minister of heavy industry construction and one of the few Jews to hold the rank of minister in recent years, died Monday after a lengthy illness.

Reiser, who was named a candidate member of the party Central Committee in 1952 and 1956, was appointed to his ministerial post in 1950 and held it until 1957, the official Tass news agency announced.

Tass carried a death notice signed by Premier Khrushchev and the Central Committee of the Soviet Communist party. The notice referred to Reiser as "one of the most prominent leaders of the nation."

Mother Is Raped

A YOUNG mother was beaten, bound and raped by a Negro intruder in the bedroom of her Philadelphia home while her 3-year-old daughter screamed for help in a crib nearby. The 21-year-old woman said the man wrapped one of her dresses around her head and gagged her. "You know they lynch colored men for doing this in the South," the intruder said. "If you tell the cops, I'm coming back and lynch you."

JFK's Civil Rights Bill

NEW YORK (Special) — The largest Labor Zionist organization in America urged its members to give all-out support to President Kennedy's civil rights bill.

Farband-Labor Zionist Order issued a call in an urgent message to its 320 branches from coast to coast.

Calling the present civil rights struggle a "climactic struggle," the Farband urged its members to support financially organizations that carry on the struggle for Negro equality.

The message was signed by Meyer L. Brown, president of the Jewish group, and Louis Segal, general secretary.

Dr. Martin Luther King, Jr., President of the Southern Christian Leadership Conference, expressed "deep appreciation" to the Farband.

In a letter dated June 19, Dr. King said that without "your moral support, we would be caught in a dungeon of despair."

THE JEW PRESIDENT OF THE N.A.A.C.P. SAYS "THE FINAL SOLUTION TO THE RACE PROBLEM WILL BE FOUND IN THE BEDROOM." -MONGRELIZATION OF THE RACES IS THE REAL OBJECTION OF THE RACE MIXERS.

WHAT AMERICANS SHOULD KNOW ABOUT THE N.A.A.C.P.

The above picture of a Harlem Negro and his white wife is one which every self-respecting white American should ponder well, because it represents the ultimate goal toward which the National Association for the Advancement of Colored People (NAACP) and every other professional race-mixing organization is striving. Eventually, if they have their way, every Negro will as a matter of right and privilege enjoy the same "equality of opportunity" as the one above...

It is important that Americans should be thoroughly acquainted with the real objectives of the NAACP, and it is also important that they should realize that the president of this organization is not a Negro at all, but a little Jewish revolutionary by the name of Alvin Spingarn. And they should know that the NAACP was originally founded by a band of Jewish revolutionaries in 1909, and that no Negro has ever headed the organization...

It is likewise essential that Americans should know how the NAACP operates to achieve its objectives. They should know that this alien-controlled conspiracy has at its disposal one of the largest and most specialized legal staffs in the world -- and the only one in the world devoted exclusively to the breaking down of racial barriers.

Americans should be alerted to the fact that the NAACP has been carrying on what it boastfully calls a "silent revolution" for the past quarter century. They should know that with the aid and connivance of our left-wing Supreme Court, the NAACP's huge legal staff has already obtained court decisions outlawing segregated schools, segregated restaurants, hotels, swimming pools, parks and public housing. And that through a series of running court actions the NAACP plans to extend the blessings of racial "integration" to every American community, to every American classroom, church, playground and, ultimately, to every bedroom...

Americans should know that the NAACP's strategy is based upon the premise that the Negro problem will only be solved by total "integration". And that this can be achieved (according to the NAACP) only by forcing whites and Negroes into intimate and prolonged contact from infancy on: at school, at play, at church, in sports, in social affairs, and at work. That is the NAACP goal, and they will never be satisfied with less.

It is for Americans to decide now whether they want this kind of enforced "equality" or not. If they don't want it, they must strike back now -- before it's too late. Let's stop this assault upon American freedom! Let's put the NAACP and its alien promoters out of business! Let's fight back!

This Is What We Are Fighting To Stop Do Your Part-Join National States Rights Party.

THE REAL CRIMINALS ARE THOSE...

The girl pictured here is a jazz fan. The Negro is a jazz musician. Both made the news recently when she revealed him to be the father of her mulatto child. Since then she has been jailed and her child placed in an institution. She has been disowned by her parents and ostracized by her friends. But the real criminals remain unpunished . . . They are the northern propagandists, the alien sociologists, the fuzzy-minded school teachers and the brain-washed clergymen who exposed her to the degenerate philosophy of racial integration; who taught her from childhood on that all the races are equal and that it is morally wrong to "discriminate" because of race or color; who preached to her that racial pride is unChristian but that racial "tolerance" is a high Christian virtue . . . They are the ones who should be punished; they are the REAL criminals.

Educate them together . . . let them play together . . . send them to church together . . . and the result is inevitable.

TOTAL INTEGRATION MEANS...

The pictures shown here should be of particular pride to the rabid advocates of racial integration and inter-racial "brotherhood," for they illustrate the ultimate of integration. This is what NAACP agitators have in mind when they boast that eventually the . . . "race problem will be solved in the bedroom." This, too, is what the Ford Foundation, the National Council of Churches, the National Conference of Christians and Jews and other professional race-mixing agencies are preparing YOUR children for. They may talk plausibly about the "brotherhood of man" and the "fatherhood of God," but these pictures show what they really want . . .

WHO PREACH RACIAL INTEGRATION

TOTAL MONGRELIZATION

Obviously relishing integration, these northern Negroes have already taken white wives.

Questions And Answers

TRUTH AND FALLACY ABOUT THE INTEGRATION PROBLEM

NOTE: The following "true and false" questions should provoke every thinking patriot to a better understanding of the integration question.

TRUE OR FALSE: IT IS "UN-CHRISTIAN" AND "UN-AMERICAN" TO PRACTICE RACIAL SEGREGATION.

False! If segregation is "un-American", our forefathers (including the Pilgrim Fathers) were un-Christian and un-American, because at no time did they practice or advocate integration or equality of the races.

TRUE OR FALSE: ALL THE RACES OF MANKIND ARE EQUAL AND SCIENTISTS HAVE NEVER FOUND ONE RACE TO BE SUPERIOR OR INFERIOR TO ANOTHER.

False! The various racial groups are amazingly diverse in size, structure, physical appearance and mental ability. They range all the way from the highly civilized northern European to the almost sub-human South African Bushman (see out). The African Bushman, in common with several other racial types, is incapable of abstract reasoning at all, its brain being only about half the size of the average European. The mental capacity of Negroes is conspicuously below that of whites, too.

TRUE OR FALSE: RACIAL DIFFERENCES ARE ONLY SKIN DEEP. PROOF OF THIS IS SPECIFIED THAT "ALL MEN ARE CREATED EQUAL", REGARDLESS OF RACE OR COLOR.

False! In the first place the statement that "all men are created equal" appears nowhere in the Constitution or the Bill of Rights. It is found in the Declaration of Independence and was penned by Thomas Jefferson, a slave owner. Neither he nor the authors of the Constitution believed in racial equality, much less integration. In fact most of them, including George Washington, were slave owners, too. Article I of the U.S. Constitution recognized (and legalized) the Negro's status as a chattel, not as a citizen or equal. It is not true that the founding fathers believed in Negro equality, or that the Constitution provided for it. The exact opposite is true.

TRUE OR FALSE: WHEN THE FOUNDING FATHERS WROTE THE U.S. CONSTITUTION, THEY BECAUSE THEY WERE BROUGHT TO THIS COUNTRY AS SLAVES.

False! On the contrary the Negro owes the White man a special debt of gratitude for the opportunity he has found here. In America he was civilized, educated, converted to Christianity and ultimately given citizenship. Unquestionably the Negro of today is much better off than he would ever have been in Africa, where his blood cousins still live in squalor and superstition -- still only a step removed from cannibalism. It should be remembered that in Europe the White race was held in slavery under feudalism for centuries, and by an iron coincidence Russia freed millions of her slaves (serfs) in 1864 -- about the same time the Negro was emancipated in this country. Slavery is never good or desirable, but the Negro race is certainly not the only one ever to be held in bondage. The Negroes of today are fortunate to live in America and it is high time they stopped hating their white benefactors, too.

TRUE OR FALSE: TO SESEGATE NEGROES IS TO DENY THEM THEIR RIGHTS.
False! Whites have rights as well as Negroes. Compulsory integration is an infringement upon the White person's right to associate with people of his own kind and choosing.

TRUE OR FALSE: SENDING WHITE CHILDREN TO SCHOOL AND CHURCH WITH NEGROES WILL NOT NECESSARILY LEAD TO INTER-MARRIAGE IF "CHILDREN ARE BROUGHT UP RIGHT".

False! If you teach your children that segregation and racial pride are wrong, immoral and un-Christian, how can you expect them to believe that inter-marriage is wrong?

TRUE OR FALSE: YOUNG CHILDREN SHOW NO PREJUDICE OR AWARENESS OF SKIN COLOR UNTIL SO TAUGHT BY THEIR ELDERS.

True! Very young children are not prejudiced against anything. And because they cannot discriminate between what is good and what is harmful, they must be carefully trained for their own protection. The point is that racial self-respect, like table manners and hygiene must be instilled in the youngster by his elders.

Four of the interracial couples shown above are married. The pair on the extreme left is not -- yet. These photographs dispose for all time of the argument that integration in the schools, the churches, the playground and elsewhere does not lead to mixed marriages. History, both modern and ancient, has shown that wherever Negroes and Whites have been

thrown together intimately for any length of time, miscegenation has resulted on a mass scale. And wherever race-mixing has occurred, the White race has been polluted, swallowed up, destroyed... Some sociologists are already gleefully predicting that America will be entirely "coffee-colored" within a few generations.

Rabbi Convicted In Slave Case

Rabbi David I. Shackley of New Haven, Conn., is the first person in many, many years to be convicted of slavery. He was given one year in prison and \$1,000 fine for keeping a Mexican family, Luis Oros, his wife and five children as slaves on his large chicken farm. Rabbi Shackley promised them work here in the USA when he met them on a vacation in Mexico City. Oros came to this country with his family illegally and the Rabbi threatened to turn them over to the police if they tried to run away from his chicken farm. Rabbi Shackley forced the Oros family to work 12 hours a day ear only defective eggs and other inferior food. They also were forced to live with the chickens.

What makes this case stand out, is that Jewish religious leaders, more than any other so-called church group in America have stood in the forefront in demanding of "equal rights" for minority races. But when it comes down to making a "fast buck" from some pitiful and ignorant people, this Jewish Rabbi, was quick to enslave them.

Famed Scientist Persecuted For Saying Races Are Different

BRILLIANT PROFESSOR SAYS RACES ARE DIFFERENT FORCED TO RESIGN U. OF PENNA. POST.

Dr. Carlton S. Coon has been forced to leave his position as curator of ethnology and anthropology at the University of Pennsylvania. Dr. Coon is a nationally - known anthropologist who has just published a new book, "The Origin of Races." The book has stirred NAACP leaders and other liberals to denounce Dr. Coon. For years Dr. Coon had his own TV program, "What In The World"(on Museums) and is a noted author, lecturer and World Traveler.

Dr. Coon is also currently president of the American Association of Physical Anthropologists and received two Athenaum gold medals for his new controversial book, "The Origin of Races." Prof. Coon states his belief that man divided into five races or species half a million years ago. He then states the five races developed independently. At different periods of time these races passed through a critical intelligence threshold period. Dr. Coon believes that the Negro race started to develop intelligence some 200,000 years after the White race did. He cites many studies of skulls and other findings to back up his study. The oldest Negro skeleton to be found is 25,000 years old. It is called the Homo erectus and was discovered in Northern Rhodesia. It was a very animalistic form, showing the slow development of the Negro race.

Every time scientific evidence is discovered proving the Negro to be inferior and animalistic as a race, such information is suppressed and the scientist is persecuted for his truthful research work.
